

Local Government Pension Scheme

Request for estimate of Pension Benefits

Please complete and return this form in order to request an illustration of your potential benefits from Durham County Council Pension Fund.

In order to provide a more focused service to our members aged 55 or over who are preparing for their retirement we respectfully ask members under this age to only request an estimate when absolutely necessary.

Please note **we will only provide one estimate in any 12 month period**, further requests will not be processed.
