

Chris Whitty Update Transcript.

[HM Government logo in the top left-hand corner remains throughout]

[NHS logo in the top right-hand corner remains throughout]

[Text: Coronavirus. Stay home, protect the NHS, save lives]

Male Voiceover: This is a vital update about Coronavirus.

[Text: Professor Chris Whitty. Chief Medical Officer]

Professor Chris Whitty: To help save lives, stay at home. Anyone can spread coronavirus. You should now only go out when absolutely necessary, for food, medicine, work or exercise.

[Text: Only go out when absolutely necessary]

Professor Chris Whitty: Always try to stay two metres apart.

[Text: always try to stay two metres apart]

Professor Chris Whitty: Do not meet others outside your household, even friends and family.

[Text: Do not meet others outside your household]

Male voiceover: Stay home, protect the NHS, save lives.
