

# Public right of way Coronavirus (COVID-19)

Please note that this is a working farm and also a home.

A temporary **alternative and safe permitted path** is available to maintain social distancing and protect residents and local communities.

If you wish to use the alternative route please follow the signs, though the original route remains open.

Please ensure you keep at least 2 metres away from other people and hand wash / sanitise after touching any shared surfaces.

We are grateful for your co-operation.

**Working to support our farmers, residents and local communities.**
