Framework Contract reference QTLE-98KJJC Framework Contra...	Please note that, the current Framework is due to expire 31st December 2015. As part of the Council's consideration on whether to grant an additional extension of the Framework and in line with instructions of the original tender exercise, the Council is re-running the pricing of the original tender to give suppliers the opportunity to submit fixed maximum costs for the 11 month period starting 1st February 2016. This will remain subject to the original terms and conditions agreed.  For the avoidance of doubt, evaluation will be on a price only basis and any framework ranking will then be based on the ranking position of suppliers following this exercise.
