The County Council of Durham (the Council) hereby gives notice that on the 16th May 2016 it received a notification from the owner of an intention to dispose of Middleton-in-Teesdale Ambulance Depot as an Asset of Community Value under the Localism Act 2011.

The Council invites any eligible community interest group to express an interest to be treated as a potential bidder for the Asset by 28th July 2016.

An eligible community interest group is any community interest group that has a local connection with the building and falls within one or more of the following categories:

- A parish council
- A charity
- A company limited by guarantee which does not distribute any surplus to its members
- An industrial and provident society which does not distribute any surplus to its members
- A community interest company

The owner of the Asset may not dispose of the Asset during a 6 week period starting from the date the Council received the notification from the owner of their intention to dispose of the Asset (the interim moratorium period) and ending on 28th July 2016.
During the interim moratorium period the Durham Dales Enterprise CIC or another community group may request in writing to be treated as a potential bidder for the Asset. If the Council receives such a request this will trigger the full moratorium period and the Council must inform the owner who may not then dispose of the Asset during this 6 month period unless it is to a community interest group.

If no community interest group requests to be treated as a potential bidder during the 6 week interim moratorium period then the owner may proceed to dispose of the Asset.

Please send any request to be treated as a potential bidder to:
