

Dogs Trust community events in partnership with Durham County Council's #FollowOurLead campaign

Dogs Trust community events

Come along to the free community drop-in events for support and advice to help you and your dog commit to a healthy lifestyle. Owners and dogs of all ages are welcome. A veterinary nurse will carry out basic health checks on your dog, which includes checking eyes, ears, teeth and weight, to make sure your dog is happy, fit and healthy. Dog owners will also receive advice about their dog's diet and a responsible dog ownership pack. For more information visit: [Dogs Trust Community Events](#).

Durham County Council #FollowOurLead campaign

On 1 June, a Public Space Protection Order came into force in County Durham. The Order requires all dog owners to be more responsible. For more information visit: www.durham.gov.uk/dogcontrol
