

YOUNG PEOPLE ARE RESPONSIBLE FOR THEIR OWN BEHAVIOUR. ANY INCIDENT MAY BE RECORDED AND, IF NECESSARY, SANCTIONS TAKEN. ANY CASES OF SERIOUS MISBEHAVIOUR WILL BE REPORTED TO THE TRANSPORT BEHAVIOUR OFFICERS, THE POST-16 ESTABLISHMENT AND IF NECESSARY THE POLICE. PHYSICAL AND VERBAL ABUSE ARE UNACCEPTABLE.

SANCTIONS

The provision of Post-16 transport can and will be withdrawn for specified periods, as a sanction against students for poor behaviour.

In some instances there will be an immediate ban, for example, for any student carrying a blade, lighter/matches or an electronic cigarette.

The length of time for any ban will be determined by the Post-16 establishment and our Transport Behaviour Officers.

Should any parents act inappropriately towards other children, drivers or passenger assistance whilst on home to school transport, travel privileges will be withdrawn for a specified period.

Parents are expected to pay in full for any damage caused by your child to the vehicle or to property as a result of their poor behaviour on home to school transport.

Where home to school transport is withdrawn you will be fully responsible for ensuring that your child attends school. This includes the responsibility for arranging and paying for travel.

This leaflet sets out the rights and responsibilities of parents/carers and the sanctions that could be taken should a student not behave in a responsible manner.

The behaviour of the vast majority of students whilst travelling is good; however, the conduct of a small percentage of students gives cause for concern. This is unacceptable, and in agreeing and promoting a policy on student's behaviour on Post-16 transport we aim to raise the standards of behaviour.

Parents have a key role to play and you are responsible for the conduct of your children.

PARENT/CARER'S RIGHTS AND RESPONSIBILITIES

- That your child reads and understands the information on this leaflet;
- To ensure your child behaves safely and appropriately on Post-16 transport;
- To ensure your child is not in possession of, supplying or misusing illicit substances, tobacco, alcohol, non-prescribed medication, volatile substances or carrying a blade, lighter/matches or an electronic cigarette;
- To pay for any damage caused by your child to any vehicle or property as a result of his/her poor behaviour on Post-16 transport;
- To behave respectfully towards drivers and passenger assistants who are providing transport on our behalf. Please make sure your behaviour is appropriate so that it sets an example for students travelling on the contract;
- To cooperate with and support the Post-16 establishment, operator, driver, passenger assistant and our Transport Behaviour Officers if your child is having problems on home to school transport;
- To make alternative home to school transport arrangements for your child should their travel be removed as a direct result of their conduct on home to school transport.
- To provide emergency contact information to the Sustainable Transport Team or transport operator, for use when it may be necessary to amend travel arrangements at short notice e.g. during adverse weather conditions;
- To let us know, in writing, if you change address at schooltransportteam@durham.gov.uk;
- Access to the "Behaviour on Home to School Transport Policy" (which is available at www.durham.gov.uk/schooltransport);
- To complain or report behaviour problems on home to school transport to the school or our Transport Behaviour Officers via email on schooltransportteam@durham.gov.uk.
