For the purposes of Data Protection, Durham County Council is the Data Controller.

**What we do**

Council tax is a system of local taxation collected by local authorities. It is a tax on domestic property. Some property is exempt from council tax. Some people do not have to pay council tax and some people get a discount.

Each year, we will set a rate of council tax for each valuation band. Not everyone will have to pay the full amount of council tax. There are three ways in which your council tax bill may be reduced.

These are:
- the reduction scheme for disabled people
- discounts
- Council Tax Reduction and second adult rebate.

Every council tax bill is addressed to the person or persons that we consider liable to pay it.

The Assessment and Awards team is responsible for accurately billing of council tax ensuring that the correct tax amount is calculated for collection.

We will only collect and use personal information to enable us to identify you and locate your personal data on our systems, ensuring that any discounts / exemptions / reductions are awarded and the amount due for council tax is charged correctly each year.
