

Martyn Stenton Update

[Martyn Stenton, Head of Early Help, Inclusion and Vulnerable Children]

Hi, I am Martyn from Children's Services with Durham County Council. In January this year we contact families and schools and other services about inspection of our services that was taking place. The inspection is now finished and Ofsted and the Care Quality Commission have published their findings. We are really pleased with the results of the inspection and the improvements that we have made over the last two years.

We want to thank everyone who took part in the inspection, and over four hundred families and young people gave their views to the inspectors so thanks very much for taking part. We are really keen to do some more work with our SEND partnership and families so that we can further improve our services in coming months. If you want to find out more about our services and the inspection findings, this information is now available on our local offer website.
