EHCP (Housing)

PO Box 617

Durham

DH1 9HZ

Tel: 03000 261 016 email: ehcp@durham.gov.uk

Important Note:

Please only use this form where you are applying for either a new HMO licence for a property or where there are changes to the licence holder. If the property has been previously licensed and there is no change of licence holder, you must complete the application form 'Renewal of Expired Licence'.

Please read the following carefully. If you would like your application to be checked and vetted by DCC, please contact us on 03000 261016 and we will arrange a mutually convenient time for you to call at our office. Please note that there will be a charge of £50.00 for this service.

Types of properties that require a mandatory licence:

- Licensing applies to **all** HMOs occupied by five persons or more in two or more households, **regardless of the number of storeys.**
- This includes any HMO which is a building or a converted flat where such householders lack or share basic amenities such as toilet, personal washing facilities or cooking facilities.
- It also applies to purpose built flats where there are up to two flats in the block and one or both are occupied as an HMO.

Information for applicants

1. *The licensing process*

When an application has been received and is deemed to be valid (i.e. all of the sections** are completed, supporting documentation has been provided and appropriate payment has been made), the licensing paperwork will be issued. This will come in the form of a draft licence, and following a 14 day consultation period a full licence will be issued. This paperwork will be sent to each interested party such as other owners and mortgage providers, so they may make any representations during the consultation period.

Every applicant needs to complete all of the sections that are in **bold type. The remaining sections require completing as directed.

The licence is subject to a number of conditions, these are known as Part A and Part B conditions. Part A conditions are standardised and applied to every licensed HMO within County Durham. Whereas, Part B conditions are unique to each property and reflect the works required to bring the property up to the Authority's standards. These works are identified during a formal inspection carried out within the licensing period. This means initially a licence may be issued with no Part B conditions attached, however following the formal inspection the licence may be reissued with amended conditions. At any point during the licensing period, failure to comply with the Part A or Part B conditions may result in the licence being revoked.

2. *Informing interested parties that an application has been made*

You must let certain persons know in writing that you have made this application or give them a copy of it. The persons who need to know about it are:

- Any mortgagee of the property

- Any owner of the property to which the application relates (if that is not you) i.e. the freeholder and any head lessees who are known to you.
- Any other person who is a tenant or long leaseholder of the property or any part of it (including any flat) who is known to you other than a statutory tenant or other tenant whose lease or tenancy is for less than three years (including a periodic tenancy).
- The proposed licence holder (if that is not you).
- The proposed managing agent (if any) (if that is not you)
- Any person who has agreed that he will be bound by any condition or conditions in a licence if it is granted.

You must tell each of these persons:-

- Your name, address, telephone number and e-mail address
- The name, address, telephone number and e-mail address of the proposed licence holder (if it will not be you)
- Whether this is an application under Part 2 or Part 3 of the Housing Act 2004 and the address of the property to which it relates
- The name and address of the local housing authority to which the application will be made
- The date the application will be submitted

3. For Landlords of Student Properties only

As part of this application form, applicants have the option to become members of the Durham Student Assured Housing Scheme (DSAHS). Benefits of the scheme include:

- Certificate and window sticker to display in your property
- Free and impartial advice exclusive to landlords of assured properties
- Advice, seminars and regular updates provided by Durham County Council on any issues relating to HMO's

4. A valid application for a mandatory licence will require the following documents to be produced:

- Completion of all parts of the application form that are highlighted in **bold type**
- Signed declarations in the appropriate boxes
- Cleared payment of the relevant fee (see section 7 of these notes)

5. A valid application for a mandatory licence and / or DSAHS membership will require the following documents to be produced:

- Completion of **all** parts of the application form
- Signed declarations in the appropriate boxes
- Cleared payment of the relevant fee (see section 7 of these notes)
- A valid Gas Safety Certificate
- A full copy of the current Electrical Safety Certificate
- A full copy of the Tenancy Agreement specific to this property is included
- A current EPC certificate (if applicable)
- Indicative/sketch/floorplan with room sizes (where available)

6. Standards for HMO's

Please make sure that you read carefully Durham County Council Standards for Houses in Multiple Occupation. Please familiarise yourself with the details of your property type, i.e. Shared house, bedsit etc. The relevant standards for each property type can be found at:

www.durham.gov.uk/article/2499/Multiple-occupany-home

Failure to meet these standards may result in licences being revoked and possible legal action taken.

7. Licence fee

You can either pay your licence fee by cheque or request an invoice to be raised. Your application will not be considered fully made until your payment has cleared.

The total licence fee is made up from a licence application and inspection fee and a separate fee covering the monitoring and enforcement activities that the Council is required to administer throughout the period that the licence is in place (a maximum of 5 years).

The fee for a new HMO licence or a transfer of ownership is £900 and can be paid in full on application. However, following a Court of Appeal decision, we must also offer a two-stage fee process to applicants. The first stage fee is £550 and covers the processing of the licence application and property inspection. If the licence is approved, the second stage fee of £350 becomes payable and is attributable to the monitoring and enforcement of the licence.
