About this booklet

On Thursday 6 May 2021 there will be a referendum on a neighbourhood plan for your area. The referendum will be conducted in accordance with procedures similar to those used at local government elections. This booklet explains more about the referendum that is going to take place and how you can take part in it. In this booklet you can find out about:

- The referendum and how you can take part
- The planning system in England and the Development Plan
- Neighbourhood Plans
- The Neighbourhood Area
- The Oakenshaw Neighbourhood Plan

Referendum on the Neighbourhood Plan

A referendum asks you to vote 'yes' or 'no' to a question.

The question on the ballot paper will be:

"Do you want Durham County Council to use the Neighbourhood Plan for Oakenshaw to help it decide planning applications in the neighbourhood area?"

If more people vote 'Yes' than 'No' in this referendum, then Durham County Council will use the Oakenshaw Neighbourhood Plan to help it decide planning applications in the Parish of Oakenshaw.

If more people vote 'No' than 'Yes', then planning applications will continue to be decided without using the Oakenshaw Neighbourhood Plan.

What is the Development Plan?

In England, decisions on planning applications are made by local planning authorities. Those decisions must be made in accordance with the development plan unless material considerations indicate otherwise.

A development plan is a set of documents that contain policies for the development and use of land in a local planning authority area. Durham County Council is the local planning authority for the County of Durham.

What is Neighbourhood Planning?

Neighbourhood planning powers were introduced in the Localism Act in 2011. Their aim is to help local communities play a direct role in planning the areas in which they live and work. Local communities prepare neighbourhood plans which are created to show how the community wants land to be used and developed in its area. When a neighbourhood plan passes a local referendum, it becomes part of the development plan for that neighbourhood area and must be used to help in making decisions on planning applications in that area.

Who can prepare a Neighbourhood Plan?

Within areas containing town or parish councils, they are the only body that can prepare a neighbourhood plan. Where there is no town or parish council a neighbourhood forum can be created to prepare a neighbourhood plan.

In this case, Greater Willington Town Council and the Oakenshaw Community Association led the preparation of the Oakenshaw Neighbourhood Plan.

What is a Neighbourhood Area?

Neighbourhood Areas are areas defined for the purpose of neighbourhood planning. Neighbourhood plans can only be created in formally designated neighbourhood areas. Neighbourhood areas can cover single streets, as well as larger tracts of land in urban or rural areas.

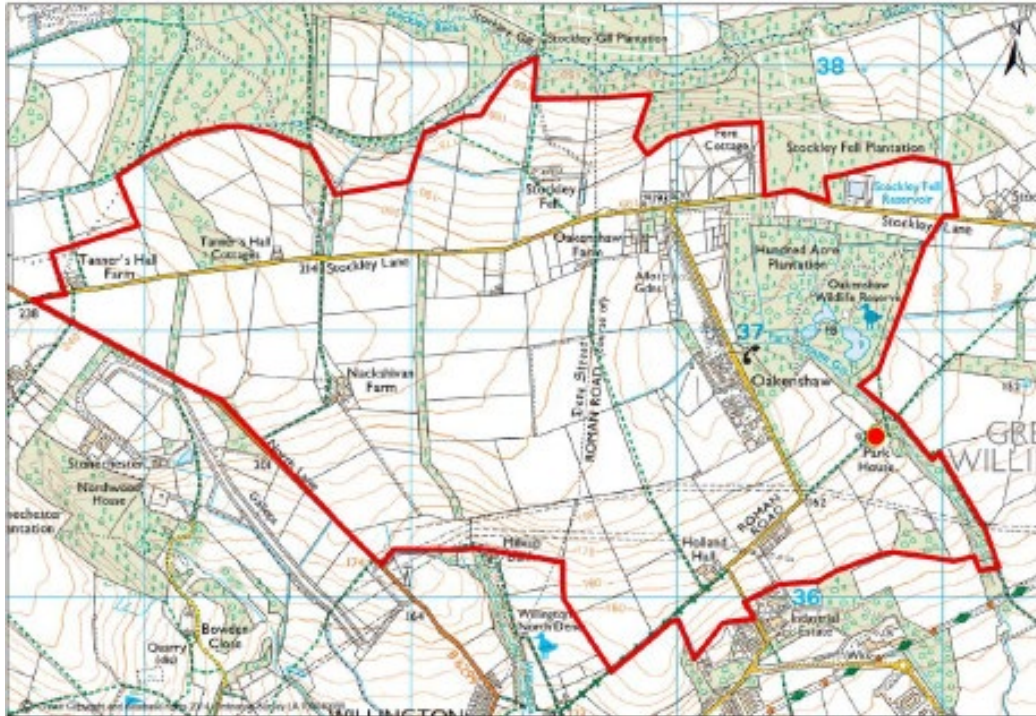

The boundaries of a neighbourhood area are proposed by town or parish councils. This is done by formal application to the County Council who make the decision about designating a neighbourhood area.

The Neighbourhood Area was set by the Oakenshaw Community Association in association with Greater Willington Town Council.

In Oakenshaw, the boundary of the neighbourhood area was approved by Durham County Council on 26 November 2015.

The Referendum Area is identified on the map in this Information Statement. The Referendum Area is the same as the Oakenshaw Neighbourhood Plan Area.

Referendum expenses

Expenses can be incurred by an individual or body organising a campaign during the period of the referendum for referendum purposes. There is a limit to the amount that campaigners can spend on their advertising for the referendum.

The Referendum expenses limit that will apply in relation to the Oakenshaw Neighbourhood Plan Referendum is **£2383.72** to each campaign organiser. The number of persons entitled to vote in the Referendum by reference to which the limit has been calculated is **368**
