

Council Tax

Everything you need to know

2022 - 2023

Your guide to Council Tax

2022 - 2023

This leaflet provides information on how the council spends its money and Council Tax levels for the coming year.

For more details on the Government scheme to provide a £150 Council Tax energy rebate to support households with rising energy costs please visit www.durham.gov.uk/counciltaxenergyrebate.

Please note this Government scheme will not affect your Council Tax liability for 2022/23.

Understanding your Council Tax bill

Each year the Government expects councils to raise money to help pay for the cost of providing local services. The money raised from local residents (Council Tax) is one of the ways that we pay for local services such as education, care services for the elderly and children, libraries and refuse collections. This is known as the core element of the Council Tax bill.

Your Council Tax is also made up of charges for the police and fire service plus town and parish councils (where applicable) and the Charter Trust for the City of Durham for certain residents.

At least one person in each household is responsible for paying Council Tax, whether they own the home or rent it, provided they are over 18 years old. If a property is unoccupied, the owner will still be responsible for paying a charge unless the property is exempt. In certain cases there can be an additional premium charge where the property is classed as a 'long term empty' (i.e. more than two years).

The Secretary of State made an offer to adult social care authorities. ("Adult social care authorities" are local authorities which have functions under Part 1 of the Care Act 2014, namely county councils in England, district councils for an area in England for which there is no county council, London borough councils, the Common Council of the City of London and the Council of the Isles of Scilly.)

The offer was the option of an adult social care authority being able to charge an additional "precept" on its Council Tax without holding a referendum, to assist the authority in meeting its expenditure on adult social care from the financial year 2016-17. It was originally made in respect of the financial years up to and including 2019-20. If the Secretary of State chooses to renew this offer in respect of a particular financial year, this is subject to the approval of the House of Commons. The government have again extended this into 2022-23. Your bill therefore also includes an additional three per cent adult social care precept to help meet the rising costs of adult social care services for vulnerable adults.

For 2022/23, there will be no increase in the core element of the Council Tax charge levied by Durham County Council. A public referendum is required where the Council Tax charge levied is two per cent or more.

The adult social care precept will increase by three per cent in accordance with the offer made to local authorities by the government.

In total, Council Tax will increase in 2022-23 by three per cent.

What does my Council Tax help pay for?

Council Tax is not a bill for the services you use, but the money we raise from all households in County Durham helps us to fund all of our services. This is a snapshot of some of the services the council deliver each year:

- We provide adult and children social care services for the most vulnerable people in our community.
- We support 266 schools and colleges, ensuring children have the opportunities to reach their full potential.
- We provide job support and aim to create 32,000 jobs by 2035.
- We empty over 6 million rubbish bins and 6 million recycling bins every year.
- We recycle and compost over 95,000 tonnes of material from kerbside collections and household waste recycling centres.
- We invest in our leisure centres, parks and open spaces, supporting our health and wellbeing strategy for the people of County Durham.
- During the past financial year, we have continued to support residents and businesses affected by the pandemic, helping to support our communities.

Valuation of your property

Your property has been placed in one of eight bands to allow the council to calculate your Council Tax bill.

Band	Property values at 1st April 1991	County Council Precept	County Council Adult Social Care Precept	Police Precept	Fire Precept	Total Council Tax*
A	Not more than £40,000	£1,027.75	£142.04	£160.16	£73.13	£1,403.08
B	£40,001 - £52,000	£1,199.05	£165.71	£186.85	£85.31	£1,636.92
C	£52,001 - £68,000	£1,370.34	£189.39	£213.55	£97.50	£1,870.78
D	£68,001 - £88,000	£1,541.63	£213.06	£240.24	£109.69	£2,104.62
E	£88,001 - £120,000	£1,884.21	£260.41	£293.63	£134.07	£2,572.32
F	£120,001 - £160,000	£2,226.80	£307.75	£347.01	£158.44	£3,040.00
G	£160,001 - £320,000	£2,569.38	£355.10	£400.40	£182.82	£3,507.70
H	More than £320,000	£3,083.26	£426.12	£480.48	£219.38	£4,209.24

* Excluding local town, parish or Charter Trust Precepts.

The Council Tax band allocated to your property is based upon what it was valued at in April 1991. All properties are assigned a valuation as at that date, even if they were built recently. It is the Valuation Office Agency (VOA) part of HM Revenues and Customs and not the council that has decided which Council Tax band your property fits in. This valuation is used to set your Council Tax band.

If you think your property band is incorrect you can contact the VOA at [gov.uk/contact-voa](https://www.gov.uk/contact-voa). If you are unable to use the online service, you can also contact the VOA on **03000 501 501**.

You can find out more about when you can challenge your band and what you need to do at [gov.uk/challenge-council-tax-band](https://www.gov.uk/challenge-council-tax-band). If you challenge your band, you must continue to pay Council Tax at your current band and instalments shown on your Council Tax bill until your appeal is decided. Failure to do so will result in recovery action and you may be liable for additional costs. Please note, the council cannot influence the banding of your property.

Are you paying too much?

You may be entitled to a reduction in the amount you pay depending on your circumstances.

Council Tax Reduction (CTR)

If you are on a low income, whether in work, unemployed or retired, and have less than £16,000 in savings, you may qualify for this discount. The amount you can get off your bill depends on how much money you have coming in and any savings, but you can receive up to 100 per cent discount. The amount of discount provided also depends on the number of people living in your home, their ages and their income.

Second Adult Reduction (SAR)

If you have another adult living in your home that has a low income, you may be able to reduce your Council Tax bill by claiming SAR for that person. You can claim this even if your income and capital is too high for you to receive CTR.

How to claim

To apply for a CTR or SAR discount, you can claim online at www.durham.gov.uk/counciltaxreduction or call 03000 264 000 and someone will help you make a claim over the telephone.

Council Tax discounts for people who suffer from a severe mental impairment

If you have been diagnosed by your doctor as suffering from a condition or illness that is classed as a severe mental impairment or care for someone who does, you may be entitled to receive a reduction or exemption on your Council Tax. This can include people who suffer from illnesses such as Alzheimer's, Multiple Sclerosis, Parkinson's or other similar conditions and those with severe learning difficulties.

Those living alone don't pay any Council Tax at all, while those living with another person – often their carer – qualify for a 25 per cent reduction.

You can find out more and make an application at www.durham.gov.uk/SMI.

Discounts for disabled people

Your Council Tax bill may be reduced if a permanently disabled person (adult or child) lives in the home. The property must have at least one of the features listed below which are essential, or of major importance, to the wellbeing of the disabled person and these are:

- A room other than a bathroom, kitchen or toilet which is used mainly by the disabled person.
- An extra bathroom or kitchen for the use of the disabled person.
- An extra space inside the property for the use of a wheelchair for the disabled person.

Discounts and exemptions for care leavers

Care leavers under the age of 25 living alone are exempt from paying Council Tax if they live within the Durham County Council area. If you live with someone else the Council Tax bill could be reduced to 50 per cent.

Exemptions

Some properties may be exempt from Council Tax if they are unoccupied for certain reasons or occupied by certain groups of people. Examples include:

- A property where all the adult occupiers are students.
- A property where all the adult occupiers are classified as severely mentally impaired.
- A property left unoccupied when the resident has moved to provide or receive care.
- A property left unoccupied on the death of the resident Council Tax payer.

Single Person Discount and other Council Tax exemptions

You are entitled to a 25 per cent discount if you live on your own. Some people are not counted when we work out how many people live in your home. For example anyone under 18, students, apprentices, youth trainees, carers, people in prison and people who are classed as severely mentally impaired. This means you may still get a discount even if you don't live alone.

You can find out more about Council Tax discounts and exemptions and make applications at www.durham.gov.uk/counciltaxdiscounts.

Council Tax on empty properties and second homes

If you own an empty property, you still have to pay the full Council Tax on that property. If the property has been empty for more than two years, your property will be liable for additional charges, known as a premium. This premium applies from two years after the property became unoccupied and unfurnished, rather than when you became liable for Council Tax on that property and increases further if the property has been empty for more than five years.

Properties left empty and unfurnished for between two and five years are charged two times the amount of Council Tax as an occupied property. This is a 100 per cent premium. Properties left empty and unfurnished for more than five years are charged three times the amount of Council Tax as an occupied property. This is a 200 per cent premium.

In certain circumstances you may apply for a discount on the amount of Council Tax you pay on your empty property. This means that you'd pay the same Council Tax that you'd pay if your property was occupied. To apply for a reduction in the premium charge, you can apply online at www.durham.gov.uk/emptyproperties or call **03000 264 000**.

Hardship relief

In cases of clear financial hardship, a reduction in your Council Tax may be granted by the council or your payment could be deferred. Each case is considered individually against the council's Hardship Policy. Contact us immediately if you have any difficulties in paying your Council Tax.

Further information regarding discounts, reductions, exemptions and hardship relief can be found online at www.durham.gov.uk/counciltax or by calling on **03000 264 000**.

Paying your Council Tax bill

There are a number of different ways to pay your Council Tax.

Direct Debit

If you already pay by Direct Debit please do not cancel your instruction as this automatically changes in line with your new bill. This is the simplest way to pay and makes life easier – here's why:

- Convenience – forget queues, cheques, stamps, reminder letters, car parking, bus fares.
- Choice – there are a number of payment dates and periods available. You choose.
- Advance notice – details of payments are sent to you in plenty of time to let you raise any query or even cancel. You stay in control.
- Peace of mind – make one phone call or sign one form and your Bank / Building Society does the work. You can forget about it.
- Protection – Direct Debit carries a money back guarantee in the truly unlikely event of an error. You can't lose out.
- Everyone benefits – it's simpler and cheaper to administer.

If you wish to pay by Direct Debit please register online at www.durham.gov.uk/counciltaxonline or call us on **03000 264 000**.

Paying through your bank

If you pay through your bank on the internet or by standing order, please use our sort code **30-92-79** and account number **51009868** and please remember to quote your Council Tax reference number to ensure your payment is credited to your account.

Other methods of payment are shown on the back of your bill.

When to pay

You have the right to pay your bill by monthly instalments. Normally this is ten payments from April to January but will be less if you get a new bill during the year. There are other instalment options available, and we can spread your payments over 12 months, if that would help. Please visit www.durham.gov.uk/counciltaxonline or contact us for details.

If payment is not made by the instalment due date and you miss paying a further instalment within the year, then your right to pay by instalments could be lost. Further non-payment will lead to recovery action being taken, which may include action through the magistrates' court and you will incur additional costs.

What to do if you can't pay on time

It will usually be possible to make alternative arrangements for payment. Council Tax is considered to be a priority debt. If you are unable to pay, or your household circumstances have changed please make contact and talk to us as soon as possible, we may be able to help. Contact us on **03000 264 000**.

For free independent debt advice contact Citizens Advice County Durham on their debt advice line **0300 323 2000** (Mon-Fri 9am-4pm) or at www.citizensadvicecd.org.uk.

Please help us to help you

- Please inform us straightaway if you move home or if there is any change in your circumstances, especially if you are receiving Council Tax Reduction, a discount or an exemption.
- You can tell us about any change 24/7 at www.durham.gov.uk/counciltax or you can call **03000 264 000**. When calling have your account reference ready. Your account reference is at the top of your bill. For Data Protection reasons we will also ask you to confirm your name, address and postcode before discussing your account with you in detail.
- Put your account reference on all correspondence you send to us.
- Answer our requests for information or requests to contact us as soon as possible.
- Pay your Council Tax on time to avoid reminders and unnecessary recovery action being taken against you.
- Tell us straightaway if you are having difficulty paying.
- Pay your Council Tax by Direct Debit.
- Sign up to view your Council Tax account online and view your information at any time, please register at www.durham.gov.uk/counciltaxonline.

As well as appealing against the banding of your property you can also appeal other Council Tax matters. For example, you may not think you are the person who should pay the bill or you believe you should get a discount, reduction or exemption, which you have not received or which has been refused.

Any appeal about a Council Tax matter must be made in writing to the address on the front of your bill.

If you submit an appeal you must continue to pay the instalments shown on your Council Tax bill until a final decision is made.

Save time – do it online

To view and manage your Council Tax account and/or benefit claim online, including checking payment amounts and dates, notifying us of a change in your circumstances, requesting a change in your payment method and applying for discounts, please register at www.durham.gov.uk/counciltaxonline.

To register you must be named on the bill or a person authorised to act on behalf of the company or individual.

You can log in at a time that suits you, 24 hours a day, seven days a week. Personal details can be updated instantly so the information is always accurate.

Sign up for ebilling

Reduce your paper bills by choosing to get your Council Tax bill, Business Rates bill and other communications electronically.

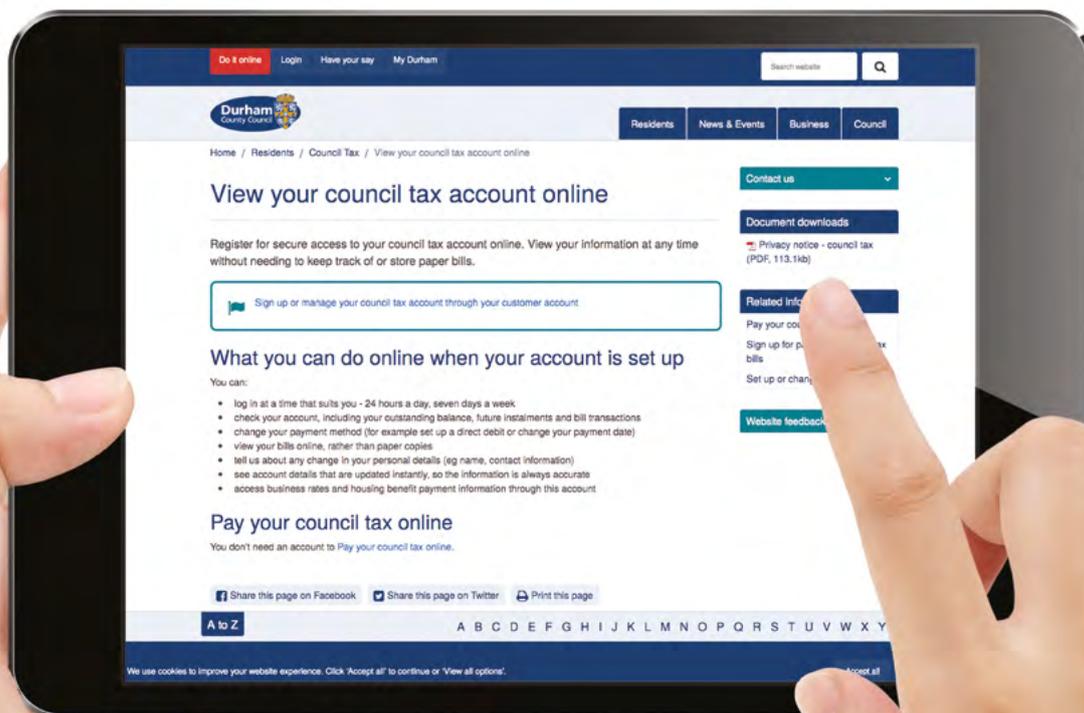

This is the most efficient, cost effective, secure method of communication available to you.

Once you've signed up you will receive your future bills and related information by email. If we need to contact you for any reason, we will email you instead of contacting you by post.

To register for ebills you must be named on the Council Tax or Business Rate bill or a person authorised to act on behalf of the company or individual. All you need to register is your name, address and email address.

Council Tax payers please register at www.durham.gov.uk/ebilling

Business Rate payers please email businessrates@durham.gov.uk

Use of personal information

We may use information you give us to prevent or detect fraud or other crimes. We may also share it with other council services or public organisations if they need it to carry out their duties. If you are claiming a discount or an exemption to which you are not entitled and fail to notify us, this will be discovered as part of these exercises.

If you know of somebody who receives Housing Benefit, Council Tax Reduction or Single Person Discount to which they are not entitled, call the number below, text or send an email. Any information, which can be given anonymously, will be treated with the strictest confidence and thoroughly investigated.

National Benefit Fraud Hotline Tel – 0800 854 440

or email CorporateFraudTeam@durham.gov.uk.

The Council's budget

In 2022/23, the total amount we plan to spend on services delivered to you (aggregate gross expenditure) is £1.3 billion. After deducting estimated income relating specifically to these services, specific grants and the use of reserves, the remaining amount (the County Council's council tax requirement) is £407m. After taking into account Government funding within our budget, a county precept of £266m needs to be raised from council tax payers of which £252m will be used for County Council services.

Summary of terms used in the leaflet

Revenue Expenditure is expenditure incurred on regular day-to-day items such as salaries, supplies, payments to contractors and other expenses of running the Authority.

Gross Expenditure is the total amount the County Council plans to spend.

Net Expenditure is Gross Expenditure minus charges to users of service and specified Government Grants to specific services.

Capital Investment refers to money used by the council to purchase fixed assets, such as land, machinery, or buildings, or adds value to existing assets.
