

Transcript. Your Guide to Recycling in County Durham. Summer 2022.

Mild uplifting music is heard throughout.

00:00: Durham County Council logo. Text: Your guide to recycling in County Durham.

An image of two council workers in hi-vis vests appears on screen. They are wheeling two wheeled bins.

00:12 An image of a residential wheeled bin with the lid ajar giving a glimpse of recyclable waste inside. Text: Recycling should be placed clean and loose in your bin.

00:18 Text: We accept all of these materials inside your blue lidded bin

00:26 Image of paper and cardboard. Text: Dry paper and cardboard

00:32 Image of green recycling glass box. Next to it are two jars and a bottle. Text: You can request a free glass box at www.durham.gov.uk/doitonline

00:35 White background with a red crossed through circle. Text: But we don't want these items in your recycling bin.

00:44 Image of black bin bags

00:46 red crossed through circle appears over black bags. Text: Black bin bags or carrier bags (no plastic bags/ready meal film.)

00:56 Image of hands over an open box. Polystyrene can be seen at the top. Text: Polystyrene

00:57 red crossed through circle appears.

01:08 Image of nappies in an internal bin.

01:12 red crossed through circle appears. Text: Nappies.

01:20 Image of a white dog on grass on a lead. A man's hand can be seen and a lady crouches next to the animal with a bag of pet waste.

01:22 red crossed through circle appears. Text: Pet waste

01:32 Image of a used, greasy pizza box.

01:33 red crossed through circle appears. Text: Please don't place used, greasy pizza boxes or food waste in your recycling bin.

01:46 Image of textiles. A red crossed through circle appears. Text: Bedding/textiles (Textiles that are in reasonable condition can be donated to charity.)

01:57 Image of batteries. Red crossed through circle appears. Text: Batteries can cause fires in our collection vehicles, please take batteries to a dedicated recycling point.

02:16 Image of a hand placing an iron into a collection box. Text: Small electricals such as broken kettles and toasters can be taken to one of our many small electrical recycling points across County Durham. www.durham.gov.uk/WEEE

02:28 Image of a recycling sorting conveyor belt. Text: Collected material is sent to a recycling facility for sorting and recycling.

02:40 A diagram explains what happens to recycling from collection to new products. Text: What happens to your recycling.

02:46 Durham County Council logo appears on screen followed by an image of two council workers in hi-vis vests wheeling bins. Text: More information is available at:
www.durham.gov.uk/whatgoeswhere

03:10 Recycle for County Durham logo appears on a white background. Text: Watch out for your new bin stickers.
